October Zoom Meeting Paddling the Lofoten Islands with Tim Gleason Monday, October 25th at 7:00 p.m.

In July of 2019, five RICKA paddlers took a kayak camping trip to the Lofoten Islands in Norway. At our October Zoom Meeting, Tim Gleason will relive that adventure.

Lofoten is an archipelago above the Arctic Circle with an exposed, demanding coastline and sparse sandy beaches. Some of the highlights of this trip include katabatic winds and a crossing of the feature that inspired Edgar Allan Poe's short story *A Descent into the Maelström* – the story that brought the term maelstrom, meaning a strong whirlpool, into the English language.

Tim has been an active sea kayaker and trip leader with RICKA since 2013. He is an Advanced Sea Leader through British Canoeing, and has led kayak trips throughout New England, and in Canada and Scotland.

RSVP to Pat Lardner at pslardner@gmail.com and the Zoom link will be forward to you via email.

Halloween Monster Paddle at Roger Williams Park Saturday, October 30th at 4:00 p.m.

Come join the fun at this year's Monster Paddle! Boooooooo!
Come as you are, or in full costume, or anything in between.
We will paddle around the Cunliff Lake checking out the Halloween Lights and Swan Boats. The paddle will last an hour to an hour-and-a half. Since this is a twilight paddle, you will be required to bring a headlamp or flashlight for safety. A seasonal favorite that you don't want to miss.

Contact Chris Kracik at kracikcj@cox.net for additional information.

Movie Night - Our Favorite Trips of 2021

Tuesday, November 16th at 7:00 p.m.

At our November Meeting, we'll look back with stories, pictures and videos at our favorite trips of 2021. With all the trips scheduled by RICKA this year, it can be tough to pick a favorite, but we'll do just that. The meeting will take place on Zoom videoconference. RSVP to Pat Lardner at pslardner@gmail.com and the Zoom link will be forward to you via email.

If you have a video you would like to share, please contact Erik Eckilson at eckilson@cox.net. Videos should be no longer than 10 minutes.

Whitewater Paddling from the RICKA Library

Whitewater Handbook

By Bruce Lessels

Whitewater kayaking and canoeing have come a long way in the last few years with new gear, new techniques, and new ways to run the river. To start the novice right off, or to polish whitewater skills already acquired, renowned whitewater paddler and instructor Bruce Lessels has created step-by-step lessons for all essential techniques. He surveys safety issues such as managing risk, dealing with hazards, and rescue tools. Equipment choices are also surveyed. An introduction to racing is provided along with advanced techniques of playboating, squirt boating.

Whitewater Rescue Manual

By Charles Walbridge & Wayne Sundmacher Sr.

Regardless of skill, running rivers presents an element of danger. *Whitewater Rescue Manual* presents a tightly focused look at the best, most current techniques for both self-rescue and rescue of others on the river. The authors provide well-reasoned guidance that will teach you when to stay with the boat and when not to; how to retrieve a lost boat; how to swim out of trouble and when not to swim; how to reach a victim by wading, swimming, or using ropes; how to coordinate a rescue effort how to make sure that would-be rescuers don't become victims.

These are just two of the great books and videos covering the range of paddling topics that are available in our [collection](#). If you would like to check out these or any other selections, contact Bill Hahn at librarian@ricka.org. Library selections can be mailed to you with a postage paid return mailer provided at no cost to the borrower.

14th Annual RICKA Family Picnic

A fun day, and an opportunity to thank our many volunteers

Once a year, the entire club gets together for the RICKA Family Picnic. It's a great time to get together for some fun, and an important opportunity to recognize the dedicated volunteers that make our club possible. This year's picnic was held at the [North Kingstown Town Beach](#) – a new location with great views of Narragansett Bay.

In the morning, [Sea Kayakers](#) made the crossing to Hope Island, while [Flatwater](#) paddlers met at Wilson Park to explore the backwaters of Wickford Harbor. After the trips, we gathered under the oak trees at North Kingstown Town Beach for the picnic and awards ceremony. This year, awards were presented to four deserving volunteers.

Volunteer of the Year Award **Richard Coupland**

For many years, Rich has served as a leader for RICKA Sea Kayak trips at all levels. Rich took the initiative to organize and run pool sessions in 2019 and 2020, which provided valuable opportunities for winter practice for RICKA paddlers.

Rich has always been willing to help people practice and learn sea kayaking. He has worked hard to develop his own skills and abilities to be a strong asset on the water. His calm, thoughtful approach to water sports makes him a valued paddling companion.

Wilderness Award **Chuck Horbert**

Chuck is a long-time RICKA member and RICKA President from 2001 to 2003. He is a founding member of the [RICKA](#)

Chuck receives the Wilderness Award

[Wilderness Group](#) and has been the Wilderness Chair since 2017. He is also a Flatwater paddler and leader. Chuck has led trips in the Adirondacks and the Allagash, and expeditions in the North Maine Woods. He has the experience and knowledge to lead wilderness trips that are fun filled, adventurous and safe.

Chuck organized the [Paddle across Rhode Island](#) in 2014 – the first successful canoe and kayak journey across Rhode Island from north to south using an inland route. He is one of several RICKA members that have completed substantially all of the 740-mile [Northern Forest Canoe Trail](#). He is Vice President of [Rhode Island Blueways](#) and is dedicated to promoting paddling opportunities on waterways throughout the state.

Conservation Award **William Luther**

Bill is a long-time RICKA member and RICKA President from 1988 to 1991. He stepped up to serve as President again in 2011 – the only person to serve as RICKA President on two separate occasions. He has also been the RICKA Conservation Chair and is currently the Safety and

Education Chair. As a paddler, Bill is a jack-of-all-trades. He is a sea kayaker, flatwater paddler and leader, whitewater paddler and wilderness tripper.

Bill is also a Board Member for the [Ten Mile River Watershed Council](#). He has arranged several clean-ups along the Ten Mile River, and has worked with RIDEM to organize water chestnut pulls on the Turner Reservoir. He is an advocate removing invasive species and for clean boating practices.

Rookie of the Year Award **Jose Schroen**

It is always great when a new paddler joins us and brings experience and joy. Jose joined us on RICKA and Blackstone Valley Paddle Club trips this season after buying a solo canoe from our Vice President Danny O'Shea.

She is a great paddler and a very interesting person with a lot of outdoor experiences to share with us in our conversations while paddling. This year alone she has bicycled from Wisconsin, camped and paddled a wilderness trip and shared many of her past experiences. She is always smiling and a pleasure to share a paddle with.

In addition, *Flatwater Leader Awards* were presented to **Jennifer Stanton** and **Roberta Engel**, and the *Continuous Paddling Award* was presented to **Frank Cortesa** and **Jim Crowley**.

It was great day, so thanks to everyone who helped make it possible. We would also like to thank all the other RICKA volunteers that make this club possible throughout the year – especially our many trip leaders. We couldn't do it without you!

Before you Paddle...

Educate yourself about the area in which you will be paddling, and carry appropriate gear, clothing, water, food, etc. Always check the weather forecast before launching. **ESPECIALLY WITH COVID-19, YOU ALONE ARE RESPONSIBLE FOR MAKING THE DECISION TO LAUNCH YOUR BOAT.**
